# Nue Skin Oxygen Infusion System with LED Light Therapy

Dimensions: L 14" x W 8" x H 11"

This Oxygen Infusion System will brighten, lift, calm, and infuse essential nutrients for healthier skin no matter what skin type, color, or condition!

## Nue Skin Oxygen Infusion System Benefits:

- Acne, oily, and combination skins
- Temporary and chronic sensitivities
- Hyperpigmentation, melasma, chloasma, and solar lentigines
- Aging, fine lines + wrinkles
- Increases circulation to the tissue thus stimulating skin renewal and providing essential nutrients for skin health.

## Nue Skin Oxygen Infusion System Treatment Advantages:

Treatment time 3-5 minutes; easy to boost your cell's metabolism.

**Oxygen Infusion Therapy:** Five concentrates to deliver not only oxygen for cells to use, but nutritional supplements to help maximize the treatment benefits.

**Oxygen Infusion Gel + A, C, E complex with LSS™ delivery:** (Ascorbic Acid, Magnesium Ascorbyl Phosphate, Tocopheryl Acetate, Retinyl Palmitate) - hydrate & rejuvenate the skin for ultimate skin renewal, anti-aging benefits -- increases circulation, and aids in softening fine lines & wrinkles.

**Oxygen Infusion Gel + antibacterial with LSS™ delivery:** (Lysozyme, Ascorbic Acid) - Kills bacteria and aids in reducing inflammation found with acneic skin. Helps to control acne and hormonal breakouts.

**Oxygen Infusion Gel + brightening with LSS™ delivery:** (Kojic acid, Bearberry, Licorice) - Brightens skin with a youthful appearance. Excellent for skin that wants a radiant and even complexion.

**Oxygen Infusion Gel + sensitive with LSS™ delivery:** (Bisabolol, Centaurium Erythraea Extract) - Soothes and calms sensitive skin, while hydrating and smoothing the appearance of fine lines and wrinkles.

**Oxygen Infusion + activator:** (Sodium Bicarbonate, Hydrogen Peroxide) - Interacts with skin enzymes, which encourages the energy to breakdown the activator into pure oxygen.

## The Oxygen Infusion System includes:

(1) **Red Light Therapy hand piece (Large) - Repair** - Revives dull + damaged skin, helps improve skin texture, color, and tone while diminishing the appearance of fine lines and wrinkles.

(1) **Blue Light Therapy handpiece (Large) - Recover** - Shows improvement with inflamed and non inflamed oily/troubled skins. L.E.D. Light Therapy creates a safe environment for managing overactive oily skins.

## LED Light Therapy improves treatment correction!

### LED Benefits:

- Safe and effective for any skin type
- Comfortable, non-invasive, no down time, quick, convenient & adaptable
- High profit return, no consumables

### Spa Marketing Pamphlets included:

Our Oxygen Infusion Rackcards and LED Rackcards are designed to help Spa and Salons educate and inform their clientele about the benefits and advantages of these treatment offerings.
