kin for Life: Where Nature Meets Science for Your Skin's Well-being.

At Skin for Life, our core values revolve around nature and science, with the aim of delivering therapeutic skincare that provides immediate surface results from the first application.

We're dedicated to ensuring our customers experience remarkable daily skincare results with lasting benefits from their skin's health.

Here's what sets us apart:

Quality Assurance:

Our laboratory meticulously selects clean and validated raw ingredients from around the world, which undergo rigorous testing for quality assurance. This commitment to excellence ensures we deliver safe and effective skincare products to our customers.

Partnership with Licensed Skin Care Professionals:

We prioritize maintaining direct communication with licensed professionals, and they play integral role in guiding our product development. Our trusted brand name is one that licensed professionals and customers alike can rely on.

Say No to Harmful Ingredients:

Skin for Life stands firmly against animal testing and the use of inferior ingredients such as parabens, sulfates, artificial colors, imidazolidinyl urea, diazolidinyl urea, and petrolatum. Our dedication to clean, safe, and validated ingredients is unwavering.

Now let's explore some of our signature skincare products.

11

Ingredients:

Aqua (Water/Eau), Glycereth-26, Stearic Acid, Pentaerythrityl Tetracaprylate/Tetracaprate, Glycol Distearate, PEG-60 Almond Glycerides, Cetyl Alcohol, Aloe Barbadensis Leaf Juice, Tocopheryl Acetate, Retinyl Palmitate, Beta-Glucan, Sodium Lauroyl Oat Amino Acids, Ceteareth-20, Cetearyl Alcohol, Triethanolamine, Carbomer, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry skin type (lipid loss), Dehydration (water loss), chapped skin, flaky skin, compromised skin because of sun exposure, sensitive dry skin, rosacea (dry patches), atopic dermatitis, psoriasis, xeroderma, thin skin because of overuse of retinoids, pharmaceutical vitamin A skin products, skin peeling.

Gentle Milk Cleanser vitamins A & E

Perfect for skin dryness or dehydration. Soothes and nourishes the skin. Excellent blend of Vitamins A & E, aloe barbadenesis leaf juice extract, and the immunity support of pre and probiotic, Betaglucan.

This is the perfect solution for skin that is compromised from over sun exposure. Sun burns are a by-product when the skin is not properly protected. Gentle Milk Cleanser will sooth, provide better lipid protection to repair and recover skin that has suffered damage from extreme external factors.

A beautiful elegant cleanser that thoroughly cleanses the skin without a surface irritation. It is paraben-free and alcohol-free.

How to use:

- 1. Apply a generous amount on the palm of your hand.
- Directly apply to the face, around the eyes, and decolletage.
- 3. Massage in circular movements for 1 minute.
- Moisten hands with lukewarm water and massage for another minute.
- 5. Rinse with lukewarm or room temperature water.
- 6. Dry skin throughly with a soft towel.

How often to use:

Use morning and night.

It is important to clean the skin morning and night.

The skin repairs, recovers, and is more active at night. Cleansing at night makes the skin more receptive to the performance added skincare products.

To clean the skin in the morning it provides a daily balance and protection against environmental stress.

Ingredients: Aqua (Water/Eau), Disodium
Oleamido MEA-Sulfosuccinate, Disodium
Laureth Sulfosuccinate, Lauryl Betaine, Glycerin,
Disodium PEG-12 Dimethicone Sulfosuccinate,
PEG-30 Glyceryl Cocoate, Methyl Gluceth-20,
Cocamidopropyl Betaine, Xanthan Gum, Tocopheryl
Acetate, Retinyl Palmitate, Disodium EDTA, Aloe
Barbadensis Leaf Juice, Beta-Glucan, 1,2 Hexanediol,
Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry/sensitive skin type (lipid loss and capillary distention), Dehydration (water loss), skin compromised because of sun exposure, sensitive dry skin, rosacea (papules, pustules), seborrhea dermatitis, psoriasis, oily/sensitive skin, active acne/sensitive skin, eczema.

Gentle Gel Cleanser soothing aloe

Soothes and hydrates your skin with natural aloe vera juice extract and boosts your skin's immunity with probiotic Betaglucan.

This cleanser is ideal for those dealing with sensitivities, dryness, or dehydration.

Gentle Gel Cleanser provides a shield of protection, it is especially effective for skin compromised by overexposure to the sun. Clean and validated ingredients that even the most sensitive skin may have healthy, balanced skin daily.

The additional nutrients found in aloe vera juice extract are essential to repair surface skin irritations. It is free of parabens and alcohol.

How to use:

- 1. Apply a generous amount on the palm of your hand.
- Directly apply to the face, around the eyes, and decolletage.
- 3. Massage in circular movements for 1 minute.
- Moisten hands with lukewarm water and massage for another minute.
- 5. Rinse with lukewarm or room temperature water.
- 6. Dry skin throughly with a soft towel.

How often to use:

Use morning and night. Nightly cleansing is important to make the skin more receptive to the performance of added skin

It is important to clean the skin morning and night.

The skin repairs, recovers, and is more active at night. Cleansing at night makes the skin more receptive to the performance added skincare products. Furthermore, it helps to diffuse any sensitivities from the day.

To clean the skin in the morning it provides a daily balance and protection against environmental stress. Assists the skin with skin building against sensitivities.

Ingredients: Water, Ammonium Laureth Sulfate, Cocamidopropyl Betaine, Disodium Laureth Sulfosuccinate, Disodium PEG-12 Dimethicone Sulfosuccinate, PEG-30 Glyceryl Cocoate, Lauryl Betaine, Salicylic Acid, Decyl Glucoside, Polyquaternium-10, Disodium EDTA, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Oily skin, acne-prone skin, combination skin (T-zone) skin, mild, moderate, and severe acne conditions, Grade I-IV oily/acne (non-inflamed or inflamed acne), rosacea (stage 3-4), seborrhea.

Salicylic Gel Cleanser clarifying solution

This specialized cleanser contains salicylic acid, a betahydroxy acid (BHA) that exfoliates the skin, unclogs pores, reduces inflammation, and prevents breakouts.

It has a pH of 4.5, close to the skin's pH, which helps minimize P-acne production without causing skin stress.

The cleanser is gentle enough for morning and night use and promotes hydration while regulating oil production.

The purpose of this cleanser is to feel soft and clean and not tight and clean. Skin is more receptive if it is balanced.

How to use:

- 1. Apply a generous amount on the palm of your hand.
- Directly apply to the face, around the eyes, and decolletage.
- 3. Massage in circular movements for 1 minute.
- Moisten hands with lukewarm water and massage for another minute.
- 5. Rinse with lukewarm or room temperature water.
- 6. Dry skin throughly with a soft towel.

How often to use:

Use both morning and night. Nightly cleansing makes the skin more receptive to added skincare products and helps diffuse redness from cystic acne conditions.

Morning cleansing provides daily balance and manages oil production activity

Ingredients: Water, Glycerol, Sorbitol, PEG-60 Almond Glycerides, Methyl Gluceth-20, Aloe Barbadensis Leaf Juice, Polysorbate-20, Caprylic/Capric Triglyceride, Matricaria (Chamomilla Recutita) Extract, Sodium PCA, Glycereth-26, Ethoxydiglycol, Bisabolol, Lecithin, PEG-6, Carthamus Tinctorius (Safflower) Seed Oil, Parfum, PEG-7 Glyceryl Cocoate, Centaurium Erythraea Extract, Guaiazulene, Beta-Glucan, 1,2 Hexanediol, Caprylyl Glycol, Tropolone

Skin Types and Conditions:

Dry skin (loss of lipids), dry/sensitive skin, oily/sensitive, rosacea, eczema, psorasis, dehydration (lack of water), combination skin (T-zone area), photodamaged skin, sundamaged skin.

Instant Soothing Toner natural actives

This universal toner is suitable for all skin types and has a pH of 5.5, making it ideal for sensitive or compromised skin.

It soothes various skin conditions that may react to internal or external factors. Ingredients like chamomile, guaiazulene, and probiotic Betaglucan provide balance while encouraging skin strength.

It can also be used as a refreshing treatment for tired eyes and invigorates the skin after outdoor activities.

It is an essential toner for anyone with an activity lifestyle. Pour into a small spray bottle and you have the perfect hydration when flying to your destination.

May use as a setting toner when touching up your mineral makeup.

How to use:

- 1. Apply a generous amount on a dry cotton round.
- Directly apply to the face, around the eye area, and decolletage.
- Once applied use fingertips to lightly massage into the skin.
- Let Instant Soothing Toner completely penetrate before transitioning to the next skin care step.

How often to use:

Use both morning and night. Toner is important to balance the skin and enhance its receptivity to other skincare products.

It can be used frequently for a refreshing and balancing skincare experience.

Ingredients: Water, SD Alcohol 40-B, Salicylic Acid, Eucalyptus Globulus Leaf Oil, Beta-Glucan, Lactic Acid, 1,2 Hexanediol, Caprylyl Glycol, Tropolone. Simethicone.

Skin Types and Conditions:

Oily skin, congested skin, non-inflamed acne (blackheads, whiteheads), inflamed acne (pustules, papules, sebaceous cyst), seborrhea skin conditions (oil glands emit an oily residue, but the surface skin is a bit dry and over accumulated for a thicker stratum corneum).

Salicylic Toner eucalyptus oil

This toner offers fast results with ingredients like BHA, AHA, and added eucalyptus oil for antibacterial properties and increased micro-circulation for wound healing.

Eucalyptus oil helps relieve inflammation from painful acne cysts. The combination of BHA (salicylic acid) and AHA (lactic acid) provides surface and follicular exfoliation, removing the accumulation of dead skin cells and regulating oily, sensitive, or acne-prone skin without causing irritation or dryness.

The pH of 5.0 is the perfect balance between treating the acne-prone skin without the surface irritation.

How to use:

- 1. Apply a generous amount on a dry cotton round.
- 2. Directly apply to the face and trouble areas of the skin.
- Once applied use fingertips to lightly massage into the skin.
- Let Salicylic Toner completely penetrate before transitioning to the next skin care step.

How often to use:

Use both morning and night. Toning is important to balance the skin and enhance its receptivity to other skincare products.

Use it twice a day for two weeks, and then you can switch to once a day if your skin is well-managed and breakouts have diminished.

You can also use it on spot areas of concern during hormonal or other transitory breakouts.

Ingredients: Water, Magnesium Ascorbyl Phosphate, Glycerin, Urea, Arctostaphylos Uva Ursi (Bearberry) Leaf Extract, Glycerin, Myristoyl Pentapeptide-11, Lecithin, Caprylic/Capric Triglyceride, Potassium Lauroyl Wheat Amino Acids, Hydroxyethylcellulose, Aloe Barbadensis Leaf Juice, Lysine, Simethicone, Polysorbate 60, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry skin, sensitive skin, melasma, pigment discolorations, oily skin, oily-sensitive skin, combination skin, chronic or temporary sensitivities, a universal serum for all skin types and conditions.

Vita C Peptide Serum + LSS™ delivery

This serum is enriched with vitamin C and the lightening extract of Bearberry. It also features the fast delivery action of the trademarked LSS™ delivery system, which is a nanotechnology designed for efficient skin penetration.

This product is particularly beneficial for sensitive skin and supports the repair of compromised skin conditions such as rosacea, eczema, or psoriasis.

It contains anti-inflammatory ingredients to cool and calm the skin while lightening and brightening for long-term healthy skin results after the first application.

Effective when managing melasma as well as other related sun damaging conditions.

How to use:

- Apply 1-2 pumps on the face, around the eye area, and decolletage after using a Skin for Life Toner.
- Blend well
- It is the perfect eye serum to brighten, and firm the surrounding eye area.

How often to use:

Use in the morning before applying moisturizer. May use at night to build vitamin C within the skin layers for skin strength building.

It is important to tone the skin to increase balance and skin receptivity for Vita C Peptide Serum product penetration.

Ingredients: Water, Magnesium Ascorbyl Phosphate, Glycerin, Urea, Hyaluronic Acid, Arctostaphylos Uva Ursi (Bearberry) Leaf Extract, Myristoyl Pentapeptide-11, Lecithin, Caprylic/ Capric Triglyceride, Glyceryl Acrylate/Acrylic Acid Copolymer, Potassium Lauroyl Wheat Amino Acids, Hydroxyethylcellulose, Aloe Barbadensis Leaf Juice, Lysine, Simethicone, Polysorbate 60, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry skin (lack of essential lipids), sensitive skin (chronic or temporary sensitivities), dehydration (lack of water), oily skin, seborrhea skin condition, acne-prone-skin, aging/mature skin, pigmented skin conditions (hyperpigmented skin discolorations).

Moisture Booster hyaluronic acid + LSS™ delivery

Hyaluronic acid provides additional volume to dehydrated, thin, and aging skin. Intrinsic and extrinsic aging depletes essential lipids and water from the deeper layers of the skin. Furthermore, it weakens the skin's immunity.

Moisture Booster reinforces the skin's lipid and water barrier for skin protection. This protects the skin's ability to fight against daily environmental stress like pollution and sun exposure.

The additional lightening ingredient of Bearberry plant extract eliminates inflammation which reduces pigment activity that causes hyperpigmentation, and other skin discolorations.

Lastly, it also regulates oily and troubled skin conditions. Moisture Booster balances oily and acne-prone skin, by reducing the activity of P-acne within the sebaceous glands.

How to use:

- 1. Apply 1-2 pumps on the face, around the eye area, and decolletage after using a Skin for Life Toner.
- Blend well
- 3. It is the perfect eye serum to brighten, firm, and hydrate the surrounding eye area.
- Ideal serum for dry, chapped, and dehydrated skin conditions.

How often to use:

Use in the morning and night before applying a Skin for Life moisturizer.

It is important to tone the skin to increase balance and skin receptivity for a deeper product penetration.

Ingredients: Water , Lactic Acid, Polyquaternium-10, Beta-Glucan, Citric Acid, Myristoyl Pentapeptide 11, Lecithin, Palmitoyl Myristoyl Serinate, Caprylic/Capric Triglyceride, Potassium Lauroyl Wheat, Amino Acids, Lysine.

Skin Types and Conditions:

Dry skin (lack of essential lipids), sensitive skin (chronic or temporary sensitivities), dehydration (lack of water), oily skin, seborrhea skin condition, acne-prone-skin, aging/mature skin, pigmented skin conditions (hyperpigmented skin discolorations), melasma, chloasma.

Renewal Serum 10% lactic concentrate + LSS™ delivery

A performance serum that provides a daily exfoliation, without surface skin irritation.

It is an alternative to scrubs or exfoliation cleansers. Renewal Serum is a safe and effective skincare product for even the most sensitive skins.

The added probiotic-driven ingredient improves overall skin building by maintaining good skin microbiome and protein activity for a stronger immunity response.

Additionally, we added citric acid (AHA) for an extra skin lightening and exfoliation for softer and smoother skin.

An important nightly exfoliation for a healthier, brighter, and vibrant complexion.

How to use:

- Apply 1-2 pumps on the face, around the eye area (avoid direct eye contact), and decolletage after using a Skin for Life Toner.
- Blend well, it may tingle but it will subside after 30 seconds to a minute.
- May be used around the eye bone to soften fine lines and wrinkles
- It is important to apply a Skin for Life moisturizer to maintain and protect the serum's correction.

How often to use:

Use at night before applying a Skin for Life moisturizer.

It is important to tone the skin to increase balance and skin receptivity for a deeper product penetration.

For oily or acne-prone skin conditions my apply morning and night to balance and regulate oil production.

For sensitive skin conditions, apply twice a week (72 hours a part) and try to increase use every week until able to apply Renewal Serum nightly.

Ingredients: Aqua (Water/Eau), Tocopheryl Acetate, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Camellia Sinensis leaf Extract (Green Tea Extract), Sodium Hyaluronate, Disodium EDTA, Vitamin A Palmitate, Cocoglycerides, BHT, Retinol, Glyceryl Diretinoate, Retinyl Linoleate, Phospholipids, Lactococcus Ferment Lysate (Probiotic), Glycerin, Caprylyl Glycol, Phenoxy Ethanol, Myristoyl Nonapeptide-3.

Retinol Level 1 - .25%

Retinol Level 2 - .35%

Skin Types and Conditions:

Dry skin (lack of essential lipids), sensitive skin (chronic or temporary sensitivities), dehydration (lack of water), oily skin, seborrhea skin condition, acne-prone-skin, aging/mature skin, pigmented skin conditions (hyperpigmented skin discolorations), melasma, chloasma.

Retinol Level 1 & 2 skincare system

The Ultimate Retinol Skincare System for Radiant and Resilient Skin. This revolutionary retinol skincare system transforms your skin without any of the common side effects of retinol.

No more redness, flaking, or irritation. Just smooth, firm, and youthful-looking skin.

Age-defying ingredients like green tea extract for UV rays prevention and lactococcus ferment lysate, probitoic-driven ingredient for skin building that increases skin tone and elasticity.

Retinyl Linoleate is an ester that breakdown into a proretinol converted into a retinoic acid. It has natural brightening properties that are safe and effective on pigment irregularities. This is the perfect skin rejuvenation.

How to use:

- Start with: Retinol Level 1: Apply 1-2 pumps on the face, around the eye area (avoid direct eye contact), and decolletage after using a Skin for Life Toner.
- 2. May use once, twice, or no more than three times a week with 48-72 hours in between applications.
- For sensitive skin start with once a week and then the next week increase twice a week with 48-72 hours in between applications.
- May be used around the eye bone to soften fine lines and wrinkles.
- It is important to apply a Skin for Life moisturizer to maintain and protect the retinol's benefits.
- Retinol Level 1 is typically a 45 day supply. Once completed, then transition to Retinol Level 2.
- 7. Perform the same above steps when using Retinol Level 2. It is also a 45 day supply.
- 3. Once completed transition back to Retinol Level 1.

How often to use:

USE AT NIGHT ONLY.

For sensitive skin start using once a week and build to twice a week the following week.

Skin without sensitivity use twice a week.

Deep lines, wrinkles, fine lines, or various scarring depth such as acne scarring, plastic surgery scarring, or other skin imperfections use three times a week with 48 hours in between applications.

Ingredients: Simmondsia Chinensis (Jojoba Oil), Caprylic/Capric Triglycerides, Ethyl Macadamiate, Argania Spinosa Kernel Oil (Argan Oil), Cannabis Sativa Seed Oil, Glycine Soja (Soybean) Oil, Tocopheryl Linoleate/Oleate, Bisabolol.

Skin Types and Conditions:

Dry skin (lack of essential lipids), sensitive skin (chronic or temporary sensitivities), dehydration (lack of water), aging/mature skin, pigmented skin conditions (hyperpigmented skin discolorations), melasma, chloasma.

Nourishing Oil + botanical extracts

Introducing a luxuriously smooth and seamlessly flowing facial elixir—a truly remarkable addition for revitalizing and nurturing your skin throughout and after facial treatments.

This exquisite potion excels at reinstating and fortifying the much-needed lipids in dry, dehydrated, and compromised skin conditions.

Infuse our Nourishing Oil into any of Skin for Life's vitaminenriched moisturizers to enhance skin integrity while bolstering its function and structure.

With the potent combination of Vitamins A, B, D, and E, it forges a protective shield against free radicals unleashed by environmental assailants like pollution, smoking, and other external factors. This formidable antioxidant defense ensures your skin remains resilient and radiant.

How to use:

- Incorporate 5-7 drops of Nourishing Oil with either Vital Recovery Concentrate, Ultra Performing Complex, Moisture Complex, or Antibac Essentials.
- Blend and mix together before applying to the face, neck, decolletage.
- Do not use by itself. It is formulated to blend with a Skin for Life vitamin-enriched moisturizers.

How often to use:

Depending on the season and the state of dryness (loss of lipids) or dehydration (loss of water) it may be blended with our vitamin-enriched moisturizers morning and night.

A nightly application is recommended to improve skin firmness and strength.

You may use this remarkable facial oil as needed.

Ingredients: Water, Cyclopentasiloxane, Cyclohexasiloxane, Ethoxydiglycol, Cetearyl Alcohol, Glycerin, Dimethicone, Behenoxy Dimethicone, Behenvl Alcohol, Glycervl Polymethacrylate, PEG-7 Glyceryl Cocoate, Behentrimonium Methosulfate, Centaurium Erythraea Extract, Cetearyl Glucoside, PEG-8, Aloe Barbadensis Leaf Juice, Bisabolol, Oleyl Alcohol, Palmitoyl Oligopeptide, Myristoyl Pentapeptide-11, Lecithin, Palmitovl Myristyl Serinate, Parfum, Siegesbeckia Orientalis Extract, Magnesium Ascorbyl Phosphate, Methyl Gluceth-20, Palmitoyl Hydrolyzed Wheat Protein, Lecithin, Caprylic/Capric Triglyceride, Potassium Laurovl Wheat Amino Acids, Lysine, Simethicone. Tocopheryl Acetate, Sodium Carboxymethyl Beta-Glucan, Betaglucan, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry skin (lack of essential lipids), sensitive skin (chronic or temporary sensitivities), dehydration (lack of water), oily skin, seborrhea skin condition, acne-prone-skin, aging/mature skin, pigmented skin conditions (hyperpigmented skin discolorations), melasma, chloasma.

Vital Recovery Concentrate botanical lipids + LSS™ delivery

A universal moisturizer for all skin. Its wound healing properties is a perfect solution for sensitive or compromised skin. Vital Recovery Concentrate is a micro-circulating skin care product with a probiotic-driven ingredient for additional skin building.

Additionally, it is an eye cream to firm and reduce puffiness and dark circles to the surrounding eye area.

This cream is lightweight and perfect for oily skin conditions. However, it is also for rosacea, eczema, psoriasis, and other chronic or temporary skin conditions. The healing properties reduces redness and surface irritations.

Its anti-inflammatory properties are ideal for pigmented skin like melasma and other irregularities from sun exposure.

How to use:

- Apply 1-2 pumps on the face, around the eye area, and decolletage after using a Skin for Life Serum.
- 2. Blend well.
- May be used around the eye area to soften fine lines and wrinkles while reducing puffiness and dark circles.
- It is a two-in-one face and eye moisturizer, because of our LSS™ life sustaining system nanotechnology.

How often to use:

Use morning and night after applying a Skin for Life Serum.

May use Vital recovery Concentrate before Moisture Complex for additional wound healing support and extra skin protection from dry, dehydrated, and sensitive skin conditions.

It is for all skin types and conditions.

Ingredients: Water, Cyclopentasiloxane, Cyclohexasiloxane, Behenoxy Dimethicone, Behentrimonium Methosulfate, Dimethicone, Cetearyl Alcohol, Methyl Gluceth-20, Lysozyme, Tocopheryl Acetate, Myristoyl Pentapeptide-11, Lecithin, Palmitoyl Myristyl Serinate, Caprylic/Capric Triglyceride, Potassium Lauroyl Wheat Amino Acids, Lysine, Sodium Carboxymethyl Betaglucan, Aloe Barbadensis Leaf Juice, Beta-Glucan, Phenoxyethanol, Glycol.

Skin Types and Conditions:

Oily skin, oily/sensitive skin, combination skin, acne-prone skin conditions, Grade I-IV acne skin conditions, seborrhea, rosacea (pustules, papules), hormonal breakouts, overactive oil gland.

Antibac Essentials lysozyme protection + LSS™ delivery

Our advanced antibacterial formulation uses a natural substance, Lysozyme, to fight acne.

It targets and destroys the bacteria that cause acne, clearing up your skin from the inside out. It also works with our unique LSS™ delivery system, which ensures that the product reaches deep into the oil gland and stays active longer.

Lysozyme is a natural raw ingredient, bacteria shield, oxygen-rich, and soothing for Grade I-IV and transitory breakouts.

Antibac Essentials is a long-term solution for managing and balancing oily, acne, and combination skin conditions.

The probiotic-ingredient increases protein production and encourages healing.

How to use:

- Apply 1-2 pumps on the face and other areas of concern after using a Skin for Life Moisture Booster hyaluronic acid serum.
- Blend well.

How often to use:

Use morning and night after applying a Skin for Life Serum.

May use Antibac Essentials before Vital Recovery Concentrate for additional wound healing support at night.

Antibac Essentials may be used as a target treatment to localized areas of concern. The best solution for hormonal acne.

Ingredients: Water, Sweet Almond Oil, Lauryl Lactate, Pentaerythrityl Tetracaprylate/ Tetracaprate, Magnesium Ascorbyl Phosphate, Cetyl Alcohol, Dimethicone, Coco-Caprylate/Caprate. Glycerin, Cyclohexasiloxane, Cyclopentasiloxane, Behentrimonium Methosulfate, Cetearyl Alcohol, DEA Cetyl Phosphate, Persea Gratissima (Avocado) Oil, PEG-150 Distearate, Polysorbate 60, Gliadin, Steareth-20, Siegesbeckia Orientalis Extract. Tocopheryl Acetate, Retinyl Palmitate, Panthenol, Bisabolol, Helianthus Annuus (Sunflower) Seed Oil, Sorbitan Oleate, Myristoyl Pentapeptide-11, Lecithin, Palmitovl Myristyl Serinate, Caprylic/ Capric Triglyceride, Potassium Laurovl Wheat Amino Acids, Lysine, Simethicone, Tocophersolan, Arginine, Beta-Glucan, Aloe Barbadensis Leaf Juice, Methyl Gluceth-20, Carbomer, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Sodium Carboxymethyl Beta Glucan, Parfum, 1,2 Hexanediol, Caprylyl Glycol, Tropolone.

Skin Types and Conditions:

Dry skin (lipid loss), dehydration (lack of water), dry/sensitive skin, smokers skin, sun damaged skin, combination skin, photodamaged skin.

Ultra Performing Complex ACE complex + LSS™ delivery

A true antioxidant-driven skincare product. The vitamins of ACE are derived from natural avocado, sunflower, and sweet almond oils. Additional vitamins of D and E to protect the skin from UV rays.

Ultra Performing Complex is ideal for smokers skin, dull, and aging skin, either through natural or environmental aging. This enriched cream reduces skin stress, by reinforcing the skin's capacity to retain moisture in the deeper layers of the epidermis.

It is a lightweight moisturizer with an elegant soft and smooth application.

The probiotic-driven ingredient encourages protein production and provides good skin microbiome to fight against free radical skin damage.

Perfect eye cream for morning and night.

How to use:

- Apply 1-2 pumps on the face, around the eye area, and decolletage area.
- 2. Blend well.
- May use before Moisture Complex at night to prevent trans-epidermal water loss.

How often to use:

Use morning and night after applying a Skin for Life Serum.

It is important for ages 30 and up. The skin loses its density and skin strength. Ultra Performing Complex is the perfect skin builder.

Ingredients: Cyclopentasiloxane, Dimethicone Crosspolymer, Dimethicone/Vinyl Dimethicone Crosspolymer, Dimethiconol, Nylon-661/Dimethicone Copolymer, PPG-3 Myristoyl Ether, C12-15 Alkyl Benzoate, Dimethyl Isosorbide, Glycerin, Steareth-20, Chrysin, N-Hydroxysuccinimide, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Tribehenin, Ceramide-2, PEG-10 Rapeseed Sterol, Dextran, Hyaluronic Acid, Myristoyl Pentapeptide-11, Lecithin, Caprylic/Capric Triglyceride, Potassium Lauroyl Wheat Amino Acids, Lysine, Simethicone, Acetyl Hexapeptide-1, Tocopheryl Acetate, Phenoxyethanol, Caprylyl Glycol.

Skin Types and Conditions:

Dry skin (lipid loss), dehydration (lack of water), dry/sensitive skin, smokers skin, sun damaged skin, combination skin, photodamaged skin, oily, acne-prone skin, dry, chapped lips, lack of elasticity.

Moisture Complex nourishing peptides + LSS™ delivery

An enriched complex containing water-binding ingredients like hyaluronic acid.

Increases natural volume within the skin layers. It is considered the "Second Skin Layer" of protection.

A silky, smooth transparent balm that is grease-less. Easily absorbs without any film.

It is perfect for cold and low -humidity climates. Additionally, it is an added cream after using Vital Recovery, Antibac Essentials, or Ultra Performing Complex for skin recovery after cosmetic procedures.

Moisture Complex is the ultimate neck cream and eye and lip balm.

How to use:

- Apply generous amount on the face, around the eye area, and decolletage area.
- Blend well.
- May be used after a Skin for Life serum and/or vitaminenriched moisturizer.

How often to use:

May use morning and night after applying a Skin for Life serum or moisturizer.

It is important for ages 30 and up. The skin loses its density and skin strength. Moisture Complex it builds skin strength by delivering essential growth peptides.

Ingredients:

ACTIVE INGREDIENTS:

Titanium Dioxide 10.20%, Zinc Oxide 3.70%.

Inactive Ingredients: Cyclopentasiloxane, Cyclomethicone, Dimethicone Crosspolymer, Methyl Methacrylate/Glycol Dimethacrylate Crosspolymer, Dimethicone/Vinyl Dimethicone Crosspolymer, Melanin, Tribehenin, Calcium Behenate, Sorbitan Isostearate, Dimethiconol, Alumina, PEG-10 Dimethicone, Methicone, Iron Oxide.

Skin Types and Conditions:

All skin types and conditions.

Perfect for Fitzpatrick I-V

SOL Defense SPF30 Broad Spectrum UVA & UVB physical sunscreen Natural Tint

Titanium Oxide 10.20%

Zinc Oxide 3.70%

A physical sunscreen that reflects and cools the skin under stressful daily conditions.

It revives a natural complexion and maintains a daily radiant glow.

A perfect skin primer before applying makeup, preferably a mineral makeup application.

Additionally, it is an excellent outdoor sunscreen because it does not migrate into the eyes so therefore it does not cause any irritation.

It is suited for men and women because of its translucent application.

How to use:

- Apply generous amount on the face, around the eye area, and decolletage area.
- It is important to warm the sunscreen in the palm of your hands. Move back and forth before application.
- If using before outdoor activities, apply 30 minutes to an hour.
- Blend well.
- 5. Use after one of Skin for Life's antioxidant serums for a healthier skin protection.

How often to use:

Use in the morning after applying an antioxidant serum.

Make sure to add sunscreen clothing for an extra skin protection for the entire body.
