

# AGELESS SKIN CARE KIT

## OVERALL BENEFITS

- Supports cellular regeneration to improve overall skin texture, tone, and vitality.
- Helps to reduce the appearance of fine lines, wrinkles, and loss of elasticity.
- Strengthens the skin barrier while enhancing long-term skin resilience.
- Enhances skin responsiveness to professional treatments and long-term correction.

## SKIN TYPES

- **Aging / Mature Skin**  
Visible signs of aging including fine lines, wrinkles, and loss of firmness; requires regenerative support.
- **Dry Aging Skin**  
Lipid-deficient with reduced elasticity; benefits from hydration, repair, and strengthening.
- **Sun Damaged Skin**  
Photoaging, pigmentation, and uneven tone; requires corrective and protective care.
- **Pre and Post Treatment**  
Skin preparing for or maintaining results from procedures such as microneedling, LASER, or microdermabrasion.

## FITZPATRICK SKIN COMPATIBILITY

Suitable for Fitzpatrick I–VI. Designed to support progressive skin renewal while minimizing irritation when used as directed.

## **GENTLE MILK CLEANSER**

Apply a generous amount to dry skin. Massage for 1 minute. Wet hands and fingertips. Massage for another minute. Rinse with lukewarm water. Pat dry skin with a soft towel.

## **INSTANT SOOTHING TONER**

Saturate a cotton pad with Instant Soothing Toner. Apply to face and neck. Use fingertips to lightly massage into the skin until absorbed.

## **VITA C SERUM**

Apply 1 or 2 pumps to face, neck, and around the delicate eye area as an intensive eye serum. Blend well.

## **ULTRA PERFORMING COMPLEX**

Apply 1 or 2 pumps to face, neck, and around the delicate eye area as a hydrating eye cream. Blend well.

## **RETINOL LEVEL 1 & LEVEL 2**

Apply as a nighttime serum only. It is important to start with Retinol Level 1 until it is completed. Usually a 45 day use. Use twice a week with at least 48 hours in between applications. Once the Retinol Level 1 is finished. Then transition to Retinol Level 2 and follow the same steps. Always apply Ultra Performing Complex over the serum to provide additional hydration and lipid skin support. Avoid direct contact with eyes.

## **DAY TIME PHYSICAL MINERAL SUNSCREEN**

May apply SOL Defense SPF 30 physical mineral sunscreen after moisture complex to protect the skin during the day.

# **STEP-BY-STEP INSTRUCTIONS**

### **PROFESSIONAL NOTES:**

Always introduce products gradually to sensitive or reactive skin to monitor tolerance and prevent over-stimulation.

Avoid combining with aggressive exfoliants, strong acids, or high-percentage actives guided by a professional protocol.

Ideal for use post-treatment (when skin is intact) to calm, restore, and support barrier recovery.

Recommend consistent use to help strengthen skin resilience and reduce long-term sensitivity triggers.
